Supervisor Burke made the following statement:

“The Hollywood Indies Little League, a California nonprofit organization, proposes to donate two electronic baseball scoreboards for use at Jesse Owens Park located in the City of Los Angeles. The value of the improvements will be approximately \$18,000 including materials and labor.

“The Los Angeles County Department of Parks and Recreation, and the community, support the donation. The electronic scoreboards will be utilized to further promote and enhance the existing recreational youth baseball programs at Jesse Owens Park. In the unlikely event that the park area is no longer used for baseball fields, the scoreboards will be returned to Hollywood Indies Little League and removed from the park at its expense. All permits required for the league’s installation of the scoreboards have been obtained from the Department of Public Works and the Department of Regional Planning. Hollywood Indies Little League will be responsible for the care, maintenance, and upkeep of the electronic scoreboards following their installation.

“This project is categorically exempt from the California Environmental Quality Act (CEQA) according to Section 15303 (e) of the State of California CEQA guidelines, and Class 3 (b) of the County of Los Angeles Environmental Document Reporting Procedures and Guidelines adopted by the Los Angeles County Board of Supervisors on November 17, 1987.”
